Ceramica Ala

cura e precisione dei dettagli
care and precision for details

Ceramica Ala nasce negli anni '90 e ad oggi rappresenta una realtà industriale pienamente consolidata che offre prodotti di altissimo livello qualitativo che soddisfano pienamente le esigenze funzionali e rispondono alle tendenze stilistiche contemporanee. La qualità di Ala, capace di distinguersi nel panorama nazionale e internazionale, vanta dei prodotti al 100% made in Italy dove ricerca, tradizione e innovazione si fondono.

CERAMICA ALA SRL has been established in '90 years and nowadays it is a very strong industrial reality offering High Quality products, which fully satisfy all functional needs by following all contemporary stylish trends. ALA's quality and design stand out inside national and international view. It makes 100% Made in Italy products melting research, innovation and tradition.

lavorazione artigianale
manual processing

L'attenzione e la cura per ogni dettaglio e la rilettura del passato secondo degli schemi odierni in modo da renderlo attuale fanno di Ala un'azienda in continuo movimento capace di cogliere ed anticipare le tendenze nel bagno per rielaborare atmosfere ampie e cosmopolite.

Care for all details and reinterpretation of the past through modern schemes to let it be current again, makes ALA be a company in constant activity, to catch and anticipate bathroom trends and create new cosmopolitan atmospheres.
